Guidelines

FORMAT

The area available is fit for 2 (TWO) posters sized 0.95m x 1.50m. For a good presentation, we recommend that the posters highlight the paper title, introduction and main points to enable the interaction between the author and the audience.

ASSEMBLY

The posters must be assembled on the indicated date informed on the Menu "status of papers" from 8.00am to 9.00am at that day. The posters **must be removed** at the end of the Session/Day - 6.00pm- . They will be put up with double-face tape, provided by the Organizing Committee.

LANGUAGE OF THE PRESENTATIONS:

The Technical Committee kindly requests that the visual content of the presentations be in English language to enable the understanding of the international audience.

VISITING HOURS

The posters may be visited from 9.00am to 6:00pm. During this time, the author can be stand beside his/her poster for clarifications to the delegates.
